

PROJECT PEARLS 2016 Year-End Report

PEACE • EDUCATION • ASPIRATION • RESPECT • LOVE • SMILE

2016 is a year of many beginnings for Project PEARLS.

It is the year when we launched the first Scholarship Program for the children of Helping Land, Tondo. We opened the PEARLS Health Clinic. We launched the first LitClub in Zambales. We reached out to more children and families through the first-ever 'Christmas Toy Drive'.

Throughout this journey, we met different organizations and individuals who wholeheartedly embraced our mission. They shared their skills, resources, and passion to make every project possible.

As we look forward to another year, we want to thank you for supporting Project PEARLS. Your contribution, big or small, can create ripples that will change the world.

Maraming salamat.
